1. Identification of the Substance/Preparation and Company

- **Product Name:** Peach Flavour Powder
- **Product Type:** Food Flavouring Agent
- **Recommended Use:** Used as flavouring in food, beverages, bakery, confectionery, dairy products, nutraceuticals, and instant mixes.

2. Hazard Identification

- **Classification:** Not classified as hazardous under GHS
- **Physical Hazards:** Low hazard under normal handling
- **Health Hazards:** May cause mild irritation to eyes, skin, or respiratory tract if excessive exposure occurs
- **Environmental Hazards:** No known significant environmental hazards

3. Composition / Information on Ingredients

- **Description:** Blend of nature-identical / artificial flavouring substances, carriers, and permitted food additives
 - **Hazardous Components:** None at levels requiring disclosure
 - **CAS Number:** Proprietary blend
-

4. First Aid Measures

- **Inhalation:** Move person to fresh air. Seek medical attention if symptoms persist
 - **Skin Contact:** Wash thoroughly with soap and water
 - **Eye Contact:** Rinse cautiously with clean water for at least 15 minutes
 - **Ingestion:** Rinse mouth with water. Do not induce vomiting. Seek medical advice if discomfort occurs
-

5. Fire Fighting Measures

- **Suitable Extinguishing Media:** Water spray, foam, dry chemical, CO₂
 - **Specific Hazards:** Dust may form combustible mixture with air
 - **Protective Equipment:** Firefighters should wear self-contained breathing apparatus
-

6. Accidental Release Measures

- Avoid raising dust
 - Sweep up and collect in clean, dry containers
 - Dispose according to local regulations
 - Use personal protective equipment as required
-

7. Handling and Storage

- **Handling:** Avoid inhalation of dust. Handle with clean, dry equipment
- **Storage:** Store in tightly closed containers, in a cool, dry place away from heat and moisture
- **Shelf Life:** As per supplier specification

8. Exposure Controls / Personal Protection

- **Engineering Controls:** Adequate ventilation
- **Personal Protective Equipment (PPE):**
 - Gloves (recommended)
 - Safety goggles if dust exposure is possible
 - Dust mask for prolonged handling

9. Physical and Chemical Properties

- **Appearance:** Free-flowing powder
- **Colour:** Light peach to off-white
- **Odour:** Characteristic peach aroma
- **Solubility:** Partially soluble in water
- **pH:** Not applicable
- **Melting Point:** Not determined

10. Stability and Reactivity

- **Stability:** Stable under normal conditions
- **Incompatible Materials:** Strong oxidizing agents
- **Hazardous Decomposition Products:** None under normal conditions

11. Toxicological Information

- **Acute Toxicity:** Not expected to be toxic
- **Skin Irritation:** May cause mild irritation in sensitive individuals
- **Eye Irritation:** May cause temporary discomfort
- **Chronic Effects:** No known chronic health effects when used as intended

12. Ecological Information

- **Ecotoxicity:** No data indicating environmental hazard
 - **Persistence & Degradability:** Expected to be biodegradable
 - **Bioaccumulation:** Not expected
-

13. Disposal Considerations

- Dispose of product and packaging in accordance with local, regional, and national regulations
 - Do not dispose of large quantities into drains or water bodies
-

14. Transport Information (Detailed)

- **UN Number:** Not applicable
 - **UN Proper Shipping Name:** Not regulated as a dangerous good
 - **Transport Hazard Class:** Not classified
 - **Packing Group:** Not applicable
 - **IMDG (Sea Transport):** Non-hazardous, not regulated
 - **IATA (Air Transport):** Non-hazardous, not regulated
 - **ADR/RID (Road/Rail Transport):** Not regulated
 - **Special Transport Precautions:**
 - Protect packages from moisture and physical damage
 - Ensure containers are tightly sealed
 - Avoid exposure to excessive heat
 - **Environmental Transport Hazards:** None known
-

15. Regulatory Information

- Complies with applicable food safety and flavouring regulations
 - Not listed as a hazardous substance under major international regulations
-

16. Other Information

- **Intended Use:** For industrial and food manufacturing use only

- **Disclaimer:**

The information contained herein is believed to be accurate and is provided in good faith. Users must ensure compliance with all applicable laws and regulations.
